Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service representative at 1-877-842-7564 (TTY: 711). We are open October 1 – March 31, daily, 8 a.m. to 8 p.m., local time, Monday through Friday. If you are calling from April 1 through September 30, alternate technologies (for example, voicemail) will be used on weekends and holidays.

Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit www.bcbsnm.com/retiree-medicare-tools or call 1-800-618-6156 (TTY: 711) to request a copy of the EOC.
- Check with your current providers to confirm that they accept Medicare. Review the *Provider Finder* for a list of doctors in our network.
- Review the *Pharmacy Directory* to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2026.
- Blue Cross Group Medicare Advantage Open Access (PPO) has a network of doctors, hospitals, pharmacies, and other providers. You may seek care from any provider that accepts Medicare and agrees to bill us. Your benefit levels are the same whether or not you utilize a network provider. You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. You can see our plan's Provider Directory and/or Pharmacy Directory at www.bcbsnm.com/retiree-medicare-tools.

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.
- Another choice is to get your Medicare benefits by joining a Medicare health plan (such as **Blue Cross Group Medicare Advantage Open Access (PPO)**).

Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what **Blue Cross Group Medicare Advantage Open Access (PPO)** covers and what you pay.

- If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on www.medicare.gov.

Which doctors, hospitals, and pharmacies can I use?

Blue Cross Group Medicare Advantage Open Access (PPO) has a network of doctors, hospitals, pharmacies, and other providers. You may seek care from any provider that accepts Medicare and agrees to bill us. Your benefit levels are the same whether or not you utilize a network provider.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan's *Provider Directory* and/or *Pharmacy Directory* at our website (www.bcbsnm.com/retiree-medicare-tools).

Or, call us at 1-800-618-6156 (TTY: 711) and we will send you a copy of the *Provider Directory* and *Pharmacy Directory*.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers – and more. Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs including chemotherapy and some drugs administered by your provider.

- You can see the complete plan *Formulary* (list of Part D prescription drugs) and any restrictions on our website, www.bcbsnm.com/retiree-medicare-tools.
- Or, call us at 1-800-618-6156 (TTY: 711) and we will send you a copy of the *Formulary*.

How will I determine my drug costs?

Our plan groups each medication into one of five "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Initial Coverage and Catastrophic Coverage.

If you have any questions about this plan's benefits or costs, please contact Blue Cross and Blue Shield of New Mexico
